

Parent/Guardian Permission Slip to Attend an After-School Activity

Activity: _____

Date of Activity: _____

I understand that attendance as a spectator at an after-school activity is a privilege, not a right. That means that I can maintain the opportunity to attend after-school activities by demonstrating appropriate and respectful behavior at all times. In order to have the opportunity to attend after-school activities as a spectator, I agree to follow these rules:

1. I will treat others with respect...no profanity, inappropriate yelling or “put-downs.”
2. I will keep my hands to myself...no pushing or shoving.
3. Once I’m in the activity area (i.e. gymnasium), I will stay there. If I leave prior to the end of the activity, I will check out with the game supervisor before leaving.

I also understand that if, at any time, I fail to meet the behavior expectations for activity attendance, in addition to regular school rules for student discipline the following actions will take place:

1. 1st offense - Immediate removal from the activity and call to parent.
2. 2nd offense – Loss of activity attendance privileges for the remainder of the sport season.

I understand these expectations and agree to conduct myself in an appropriate manner as a spectator during after-school activities. I have arranged for my parent or guardian to provide transportation home at the conclusion of the activity (generally 5:30 p.m.).
