

HEALTH & WELLNESS COMMITTEE

423

In the event a change in health, dental or optical insurance carrier and/or coverage are contemplated, the District will form a joint study committee to make recommendations to the Board prior to the District making a change.

The Health & Wellness Committee, composed of the CIEA president, one (1) certified staff member from Grangeville, one (1) certified staff member from Clearwater Valley, one (1) certified staff from Elk City, one (2) non-certificated employees, one (1) retired certified staff, two (2) school board members, and one (1) administrator, will be retained for the purposes of reviewing and recommending future employee health benefit plan design, which will be considered by the Board.
